

EP Research Symposium 2018:

Call for Presentations

The Association for Comprehensive Energy Psychology will be hosting our eighth annual Research Symposium next year. We are accepting research studies and papers in the fields of Energy Psychology and Energy Medicine to be presented at our international conference on Thursday, May 3, 2018 in Orlando, Florida.

We are seeking original empirical research, randomized controlled studies, single subject design studies and theoretical papers. New researchers, professors and graduate students are especially encouraged to present. The deadline for submissions is November 20, 2017.

Submissions:

Please submit your proposal, via email, in THREE attachments:

- 1) Name and Credentials (MA, MSW, PhD); Contact information; Brief bio (approx. 100 - 125 words); Title, Abstract, Introduction, Objectives, Methods, Results (or Expected Results, if not yet completed), and Discussion.

All proposals should follow CONSORT guidelines, insofar as applicable. See CONSORT checklist, attached.

- 2) CV for each researcher.
- 3) Supporting documents: Tables, graphs, charts, spreadsheets.

(Note: For initial submission we will need abstracts and proposals only. You may have until April 2018 to complete your full presentation.)

Notification of acceptance or rejection will be made by January 15, 2018.

Please send submissions by November 20, 2017 to:

John Freedom, research_committee@energypsych.org.
